

## MAGEE'S MURDERER NOW IN PETERSBURG

The Negro Says Operator Drew a Pistol on Him, and That He Shot Through Fear.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., February 3.—William Mack, the negro tramp who shot and killed Barney Magee, Jr., at Collier's Station, on the Atlantic Coast Line Railroad, last Friday morning, was brought to Petersburg this morning by Sheriff Galusha, of Dinwiddie county, and is now in the city jail. The sheriff and his prisoner left Emporia early this morning for Suffolk where they boarded the "Cannon Ball" train on the Norfolk and Western Railroad, reaching Petersburg at 11 o'clock. The officer left the train with his prisoner in the suburbs, and brought the negro up the back streets to the jail. Mack's story is that while he was warming himself at a fire which he had built near the railroad track at Collier's, two white men came along and reproved him for the back streets, and one of them pulled a pistol and ordered him to follow, which frightened him and caused him to draw his own pistol and shoot. He then ran off in the woods, eventually reaching the railroad track, which he followed to Emporia. The negro says that he threw his pistol into the Notaway River.

Another Eyewitness.  
Bonnie Schenk, of Dinwiddie county, is another eyewitness of the tragedy, and says that while driving along the road to Petersburg he saw Magee and Falconer approach a negro at a fire, subsequently seeing the three walking up the track toward the telegraph office. After driving past them he heard a pistol shot, and looking back saw Magee fall and Falconer, the negro, at Falconer, hearing four shots altogether. He then went to the telegraph office, and after getting the gun left there by Falconer, returned to the scene of the murder.

The funeral of young Magee took place here yesterday afternoon. The services were held at the grave in Blandford Cemetery. In the presence of a large number of friends.  
Mrs. Woody's Will.  
The will of the late Mrs. Eliza W. Woody, widow of Thomas H. Woody, of this city, whose sudden death occurred at her residence in this city last Thursday night, was admitted to probate to-day in the Hustings Court, Mr. John D. Watkins, of this city, qualifying as executor. The total value of the estate is estimated as between \$125,000 and \$130,000. Mrs. Woody had no children, and left legacies to her mother, Mr. and Mrs. J. H. Woody, and to her relatives and friends. The sum of \$5,000 is left to the Petersburg Home for the Sick, now known as the Petersburg Hospital, and \$2,000 is left to the trustees of the First Baptist Church. The will provides that after the payment of the stipulated legacies the residue of the estate is to be equally divided between Mrs. Mary E. Young, Mary C. Damerghuendo and Eliza C. Waite, sister and niece of the testator, and that all real estate belonging to the testator shall be sold. The Harrison Street Baptist Church, colored, and its Tarrt quarrel is again in evidence. A number of members of the anti-Tarrt faction complained to Judge Mullen this morning that the negro preacher, by continuing to preach at the church, and by declaring that he is still the pastor, is violating the recent decree of the Hustings Court, in which he is declared to be no longer such pastor. Judge Mullen referred the complaints to the attorneys, who are representing them, and are now preparing a case against Tarrt.

Too Much Turpentine.  
Singular Death of a Colored Woman at Petersburg.  
(Special to The Times-Dispatch.)  
PETERSBURG, VA., February 3.—Nannie Cooper, wife of a colored man, a respectable colored man living near Pemberton, died suddenly Friday night while on the floor playing with her children. Death was caused by an overdose of turpentine, which was taken through mistake.

## "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever widening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery, which cures, and purifies the blood, thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist does not happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 653 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle wrapper, the name being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

## A HEARTLESS MAN; A STUPID WOMAN

End of a Romance Begun Through an Advertisement in Matrimonial Paper.

(Special to The Times-Dispatch.)  
NORFOLK, VA., February 3.—Miss Alice Bartlett, of Pennsylvania, W. Va., who has been in the city for several days examining the marriage records to prove her marriage to a young man, name not given, of Pineville, Va., left to-day, the court records having no record of a marriage license. It is a story of a young woman's cupidity and stupidity and a man's heartlessness. It seems that the marriage performed in Norfolk, and it is

## MR SINCLAIR ENDORSED FOR JUDGE OF CHARLOTTESVILLE

Bar of the City Gives Young Lawyer Hearty Indorsement as Successor to Judge Morris.

(Special to The Times-Dispatch.)  
CHARLOTTESVILLE, VA., February 3.—Mr. G. Burnley Sinclair, one of the most prominent young attorneys of the city, has been unanimously indorsed by the local bar for Judge of the Corporation Court, to fill the unexpired term made vacant by the death of Judge George W. Morris. Mr. Sinclair was born at Meadow Creek, Albemarle county, in April, 1870. He received his early education at the Charlottesville High School Academy, of this city. After graduation in 1888, he studied at the University of Virginia one year, and then decided to enter upon a business career, and went to Princeton, W. Va. He became in turn stenographer, court re-

G. BURNLEY SINCLAIR.

porter and bank cashier. In 1890 he determined to study law, and entered the Southwestern University in Tennessee, and completed the course, taking the bachelor of law degree. He then returned to Charlottesville and took the summer law course at the university under Professors Lile and Graves, and began the practice of his profession in partnership with Mr. George Walker. Mr. Sinclair is a director in several corporations in which he is interested. Since he began the practice of law in this city his progress in his chosen life work has been rapid. He is eagerly sought, especially as a criminal lawyer. He is one of the most popular men of the town.

## UNDESIRABLE CITIZEN.

Man With Smallpox Said to Be at Large in Alexandria.

(Special to The Times-Dispatch.)  
ALEXANDRIA, VA., February 3.—A colored man about twenty-eight years of age, said to be suffering with smallpox, is believed to be at large in this city. The police have been requested to apprehend him. The man yesterday left a box car at the Potomac railroad yards and is believed to be here. It is generally believed here that the Southern Railway Company intends to abandon the Potomac freight railroad yards in Alexandria. This company has moved most of their freight trains to the city, and commencing yesterday freight trains were being made up in the company's yards here.

## FIGHT PILOAGE BILL.

Shipping Interests of Newport News Wage War.

NEWPORT NEWS, VA., February 3.—All the shipping companies in this city are now waging a bitter fight against the passage of the pilotage measure now pending in the Legislature. A hearing has been asked for, and a pamphlet is being circulated among the members of both branches of the Legislature. Representatives of the agencies and companies are concerned in the movement, and their names will appear on the pamphlet. The names are as follows: C. W. Curran & Bullitt, C. M. Kay, John Brothers, C. J. Chas. Barber & Co., United States Shipping Company, Furness, Withy & Co., Chesapeake and Ohio Coal and Coke Company, Herwig, White Coal Company,

alleged, at the Dixie Inn, on Monticello Avenue, last September, was a mock ceremony. Miss Bartlett consulted Commonwealth's Attorney Tilton, but there being no marriage record, and the young woman being unable to say who performed the ceremony, the officer was helpless to assist her.

According to the story of the young woman, who resides with an aged father in the West Virginia city, she first became known to the young man through an advertisement in a matrimonial paper. They corresponded, and she finally visited Pineville, where she kept company with him for several weeks. He declared that his parents were opposed to the marriage, having their matrimonial desires and aims for him. He finally proposed an elopement to Norfolk, spending the honeymoon at the exposition. She consented to this.

The couple came to Norfolk, registered at the Dixie Inn, and according to Miss Bartlett, the young man went out to get a marriage license and minister. He returned with a man in clerical garb, who was introduced as a minister and the ceremony was performed, she being presented with a certificate.

From Norfolk the couple went to Roanoke, where they registered and remained for some time at one of the hotels. It was here the young man told her it was a mock ceremony that had been performed in Norfolk, and then deserted her. She came to Norfolk not believing his statement. The investigation seems to leave no doubt that the young man spoke truly. What other steps the young woman will take is not known here.

Fire in Seaboard Building.  
At an early hour this morning fire destroyed the Seaboard Air Line Building, Portsmouth, in which the general offices of the general forwarding agent, C. E. Finch are located. Valuable records and other papers, not only of this department, but from the offices of the president, general freight agent and auditor of the entire system, were destroyed. The damage is incalculable, but will amount to fully \$10,000.

The fire is believed to have originated from a defective electric wire. It had made considerable headway when discovered at 5 A. M. The building is the old Hatton home, corner of North and Water Streets, and was one of the oldest structures in the entire city.

# Pure Food

## No Food Commissioner of Any State Has Ever Attacked the Absolute Purity of

# Grape-Nuts

Every analysis undertaken shows this food to be made strictly of Wheat and Barley treated by our processes to partially transform the starch parts into a form of Sugar, and therefore much easier to digest.

Our claim that it is a "Food for Brain and Nerve Centres" is based upon the fact that certain parts of Wheat and Barley (which we use) contain Nature's brain and nerve-building ingredients, viz., **Phosphate of Potash**, and the way we prepare the food makes it easy to digest and assimilate.

Dr. Geo. W. Carey in his book on "The Biochemic System of Medicine" says:

"When the medical profession fully understand the nature and range of the phosphate of potassium, insane asylums will no longer be needed."

"The gray matter of the brain is controlled entirely by the inorganic cell-salt, potassium phosphate."

"This salt unites with albumen, and by the addition of oxygen creates nerve-fluid, or the gray matter of the brain."

"Of course, there is a trace of other salts and other organic matter in nerve-fluid, but potassium phosphate is the chief factor, and has the power within itself to attract, by its own law of affinity, all things needed to manufacture the elixir of life. Therefore, when nervous symptoms arise, due to the fact that the nerve-fluid has been exhausted from any cause, the phosphate of potassium is the only true remedy, because nothing else can possibly supply the deficiency."

"The ills arising from too rapidly consuming the gray matter of the brain cannot be overestimated. 'Phosphate of Potash is, to my mind, the most wonderful curative agent ever discovered by man, and the blessings it has already conferred on the race are many. But what shall the harvest be when physicians everywhere fully understand the part this wonderful salt plays in the processes of life? It will do as much as can be done through physiology to make a heaven on earth."

"Let the overworked business man take it and go home good-tempered. Let the weary wife, nerves unstrung from attending to sick children or entertaining company, take it and note how quickly the equilibrium will be restored and calm and reason assert her throne. No 'proving' are required here. We find this potassium salt largely predominates in nerve-fluid, and that a deficiency produces well-defined symptoms. The beginning and end of the matter is to supply the lacking principle, and in molecular form, exactly as nature furnishes it in vegetables, fruits, and grain. To supply deficiencies—this is the only law of cure."

## BRAIN POWER.

Increased by Proper Feeding.

A lady writer who has not only done good literary work, but reared a family, found in Grape-Nuts the ideal food for brain work and to develop healthy children. She writes:

"I am an enthusiastic proclaimer of Grape-Nuts as a regular diet. I formerly had no appetite in the morning and for 8 years while nursing my four children, had insufficient nourishment for them. 'Unable to eat breakfast I felt faint later, and would go to the pantry and eat cold chops, sausage, cookies, doughnuts or anything I happened to find. Being a writer, at times my head felt heavy and my brain asleep. When I read of Grape-Nuts I began eating it every morning, also gave it to the children, including my 10 months' old baby, who soon grew as fat as a little pig, good natured and contented."

wrote evenings and feeling the need of sustained brain power began eating a small saucer of Grape-Nuts with milk, instead of my usual indigestible hot pudding, pie, or cake for dessert at night. 'I grew plump, nerves strong, and when I wrote my brain was active and clear; indeed, the dull head pain never returned."

Chesapeake and Ohio Coal Agency Company, the White Oak Coal Company, New River Consolidated Coal and Coke Company, Baker-Whitely Company, Holland-American Lina, Warren & Monks and James Haughton.

## FORM A HUNT CLUB.

One Organized by People of Upper Caroline—Fredericksburg News.

(Special to The Times-Dispatch.)  
FREDERICKSBURG, VA., February 3.—A number of prominent citizens of upper Caroline county, in the Corbin neighborhood, have organized the HUNT CLUB, with the following officers: Leonard F. Pierson, president; H. Dickinson, secretary and treasurer; William Dickinson, master of hounds. Foxes are numerous in that section, and the sport is expected during the winter season. A new telephone line is being constructed in the Northern Neck between Warsaw and Wallingford Wharf on the Rappahannock River. Twenty-two phones have already been subscribed for on the line. The Cotton Farm, in Middlesex county, containing 187 acres, has been sold to Calvin Bristow for \$5,000. Petitions have been forwarded to the Post-Office Department at Washington, requesting that the mails recently discontinued on the steamers on the Maryland, Delaware and Virginia Railway Company, plying the Rappahannock River, be re-established. Mr. William A. Wyatt and Miss Ruby Lee Ward, both of Urbana, were married Sunday and will make their home in this city.

## Hay's Hair Health

Never Fails to RESTORE GRAY or FADED HAIR to its NATURAL COLOR and BEAUTY

No matter how long it has been gray or faded. Promotes a luxuriant growth of healthy hair. Stops its falling out, and positively removes dandruff. Keeps hair soft and glossy. Restores all substances. 25¢ times as much in \$1.00 as 50¢ size.

IS NOT A DYE.

51.00 and 50¢ bottles at

OWENS & MINOR DRUG COMPANY

Please observe that Phosphate of Potash is not properly of the drug-shop variety, but is best prepared by "Old Mother Nature" and stored in the grains ready for use by mankind. Those who have been helped to better health by the use of Grape-Nuts are legion.

## "There's a Reason"

Postum Cereal Co., Ltd., Battle Creek, Mich.

Improvements were done at the expense of whiskey drinkers, thus depriving many poor women and her children of meat and bread. He further said that some people attempt to dignify the sale of whiskey by changing the name of the place at which it was sold, but he showed that every effort thus made was futile.

## THE CENTRAL HOSPITAL.

Committee From Norfolk Inspects the Tuberculosis Colony.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., February 3.—The special board of commissioners of the Central State Hospital held a regular monthly meeting at that institution to-day for the transaction of routine business with J. Gordon Bannan, of Surry county, and Robert G. Williams, of this city, present. The board inspected all departments of the big hospital and found everything in first-class condition. Dr. W. F. Drayner, superintendent of the institution, to-day received a visit from a committee from Norfolk, consisting of Dr. Sutton, of the Norfolk Board of Health, Dr. Dupuy, health commissioner, and Colonel Jones, of the Board of Control, who came up to look over the tuberculosis colony at the Central Hospital and to examine the methods of conducting it with a view to establishing such a colony in that city.

## RUNAWAY GIRLS.

Two Venturesome Little Misses Detained at Roanoke.

(Special to The Times-Dispatch.)  
ROANOKE, VA., February 3.—A telegram was received here last night from Winston-Salem requesting the police to detain two young girls en route to McGahey, Pa. They turned out to be the sixteen-year-old daughter of Mr. G. W. Geiger, a prominent contractor, and Miss Stella Roberts, aged eighteen. The father of Miss Geiger came after them to-day. Both girls were glad to see him.

## THE BROTHERS HALE.

Roy and Ack Both Charged With Murder—Roy's Case Called Yesterday.

(Special to The Times-Dispatch.)  
BRISTOL, TENN., February 3.—The case of Roy Hale, who is charged with the murder of Ruby Davis, was called in the Circuit Court at Jonesboro, Tenn., to-day, but went over till tomorrow by request of Commonwealth's Attorney Harmon, who announced that certain material witnesses were not present. The trial will probably be entered into to-morrow. Roy Hale is a brother of Ack Hale, who is to be tried at Blountville, Tenn., for the alleged murder of Lillie Davis, in East Hill Cemetery here, and the man he is charged with having murdered was a brother of Lillie Davis.

## WIRE CLERK.

Quits Sandwiches and Coffee Lunch.

The noonday lunch for the Department clerks at Washington is often a most serious question. "For fifteen years," writes one of these clerks, "I have been working in one of the Gov't Departments. About two years ago I found myself every afternoon, with a very tired feeling in my head, trying to get the day's work off my desk. 'I had heard of Grape-Nuts as a food for brain and nerve centres, so I began to eat it instead of my usual heavy breakfast, then for my lunch instead of sandwiches and coffee. 'In a very short time the tired feeling in the head left me and ever since then the afternoon's work has been done with as much ease and pleasure as the morning's work. 'Grape-Nuts for two meals a day has worked. In my case, just as advertised, producing that reserve force and supply of energy that does not permit one to tire easily—a essential to the successful prosecution of one's life work. 'There's a reason.' Name given by Postum Co., Battle Creek, Mich. Read the 'Road to Wellville' in pages.

August Linnet Will Be Brought to Suffolk From South Carolina.  
(Special to The Times-Dispatch.)  
SUFFOLK, VA., February 3.—Sheriff A. H. Baker to-day captured Stuart Baker to go to McCall, S. C. to bring back August Linnet, alias P. W. Linnert, is accused of forgery at Suffolk. Linnert will return without requisition papers, and no delay is anticipated unless his decision be revised.

## FOR ALLEGED FORGERY.

August Linnet Will Be Brought to Suffolk From South Carolina.

(Special to The Times-Dispatch.)  
SUFFOLK, VA., February 3.—Sheriff A. H. Baker to-day captured Stuart Baker to go to McCall, S. C. to bring back August Linnet, alias P. W. Linnert, is accused of forgery at Suffolk. Linnert will return without requisition papers, and no delay is anticipated unless his decision be revised.

## PILES Quickly Cured

Pyramid Pile Cure Positively a Marvel of Quick Curing Power. Send for a Free Trial Package To-Day.

We want every man and woman suffering from piles to send their name and address to us and get by return mail a free trial package of the most effective and positive cure ever known for this disease, Pyramid Pile Cure.

As an example, Emma Bodenhamer of Bedford, Indiana, was in constant agony for 23 years. Three 50-cent boxes of Pyramid Pile Cure cured her. And George Braneish of Schellburg, Pa., cured his 14-year piles with only one 50-cent box.

The way to prove what this great remedy will do in your own case is to just send your name and address to us and you will get by return mail a free trial package of Pyramid Pile Cure.

Then after you have proven to yourself what it can do, you will go to the druggist and get a 50-cent box.

Don't undergo an operation. Operations are rarely a success and often lead to terrible consequences. Pyramid Pile Cure reduces all inflammation, makes congestion, irritation, itching, soreness, and ulcers disappear—and the piles simply melt.

Send your name and address today for this free trial treatment of Pyramid Pile Cure, 127 Pyramid Bldg., Marshall, Mich.

Or send at all drug stores at 50 cents a box.
